7 mm	S-11137-7/A	S-11137-7/B	S-11137-7/C

Il **design innovativo** con manico ergonomico offre una presa salda e confortevole, assicurando il massimo controllo anche durante un utilizzo prolungato, riducendo l'affaticamento della mano.

*Crafted from **high-quality stainless steel**, these nippers are ideal for precise nail and cuticle care in the beauty*

The sharp blade ensures a clean, accurate cut, essential for professional results.
*The **innovative design** with ergonomic handle offers a firm and comfortable grip, ensuring maximum control even during prolonged use, reducing hand fatigue.*

L'impugnatura ergonomica garantisce una presa stabile anche durante le manicure e pedicure più delicate. Ideali per estetisti, podologi e per la cura personale quotidiana.

*Professional hand and foot nippers with **PTFE coating** combine precision, comfort, and maximum smoothness. The sharp stainless steel blades ensure a clean, effortless cut, while the PTFE coating reduces friction and protects the tool from wear and corrosion.*
The ergonomic handle ensures a stable grip even during the most delicate manicures and pedicures. Ideal for beauticians, podiatrists, and for everyday personal care.

Prodotte in acciaio inossidabile che garantisce un'eccellente e durevole prestazione nel tempo.

The scissors in this line have features that make them particularly suitable for the Russian manicure technique. The perfectly sharp, long and thin blades allow you to reach deep into the cuticle area to free the nail plate from excess skin. Made of stainless steel, they guarantee excellent and long-lasting performance.
